National Housing Conference 2017

Building for better lives

MIN10: Locally made: affordable housing and local government

1. **Who is 'affordable' housing for?**
2. **Who actually gets 'affordable' housing?**
3. **How can 'affordable' homes for lower income home buyers remain 'affordable' once they're part of the overall housing market?**

National Housing Conference 2017

Building for better lives

MIN10: Locally made: affordable housing and local government

- 1. What are the main benefits of more LG involvement in housing policy and provision?**
- 2. What are the main risks of more LG involvement in housing policy and provision?**
- 3. Is it time to renew, rather than abandon, state government public housing provision?**
- 4. How can LGs best assist low income first home buyers?**
