Top 10 risks to Australian businesses

We believe in the power of data and analytics. As an Aon client, these insights allow you to access innovative solutions that help you manage uncertainty, reduce risk and invest in growth.

01. Damage to reputation and brand
02. Economic slowdown/slow recovery
03. Business interruption
04. Increasing competition
05. Cyberattacks and data breach
06. Cash flow and liquidity risk
07. Failure to attract or retain top talent
08. Failure to innovate/meet customer needs
09. Regulatory and legislative changes
10. Accelerated rates of change in market factors

Our solutions

Commercial Risk Solutions

We offer risk advisory, risk transfer and structured solutions that help organisations and individuals better identify, quantify and manage their risk exposure.

Retirement Solutions

We offer actuarial, investment and bundled retirement solutions to help clients design and implement secure, equitable and sustainable retirement programs.

Reinsurance Solutions

We provide risk transfer, claims advocacy and capital management solutions to help reinsurers reduce volatility and build more resilient businesses, governments and communities.

Health Solutions

We provide consulting, global benefits and exchange solutions to help clients mitigate rising health care costs and improve employee health and well-being.

Data and Analytics Services

We combine proprietary data, technology and advisory services to develop insights that help clients reduce volatility and improve performance.

Risk/View

Your Melbourne team can access global pricing trends, predict insurer responses, and analyse industry data to build a strong broking strategy for you through our proprietary data and analytics platform.
